

PRACTICELOGIX

TEAM HANDBOOK

A practical guide that defines the core values, policies, and procedures of your dental practice

PracticeLogix is a complete team handbook that is focused on the values, policies, and procedures of your dental practice. PracticeLogix is a valuable training and orientation guide for new employees as well as a useful resource for team members to reference when they have any questions or concerns regarding day-to-day operations.

Conflict and stress often arise in a practice when there is a lack of standardized protocols. PracticeLogix improves communication by eliminating ambiguities that occur when individuals have different perceptions.

The PracticeLogix manual is based on over 25 years of hands-on experience of every facet of dental practice management. It is a practice-specific guide, customized to meet your Practice requirements.

Having repeatable systems with a defined structure allows your practice to operate at its peak potential. PracticeLogix provides a common framework for your team to work from, resulting in maximum benefits for your patients and members of your team.

PracticeLogix Includes:

- A detailed description of the goals, philosophies, and vision of your Practice
 - A guide to your policies and employment standards
 - Specific outlines of clinical and administrative procedures
 - Practical tools to help you manage your practice on a consistent, ongoing basis
 - Forms to help you capture and organize the logistical details of your practice
 - Other documents and information specific to your Practice
-

The Benefits

- Enhanced team communication
- Dependable and consistent systems
- Decreased ambiguity of policies and procedures
- Improved client satisfaction
- Empowered team
- Fully leveraged competitive edge
- Increased efficiency

PracticeLogix will help you navigate through your policies, procedures, and expectations; it is a valuable reference tool that will promote efficiency, effectiveness and consistency while upholding your vision for your practice.

Your next step to a better Practice . . .

*Freedom is the greatest when the ground rules are clear.
Work with Strategix to put processes and systems in place to
support, accommodate, and manage continued growth and ongoing
improvements.*
